

DQS India (Registered as Deutsch Quality Systems (India) Private Limited) is the Indian subsidiary of DQS Holding GmbH.

DQS Holding GmbH, with its registered office in Frankfurt, is the headquarters of DQS Group and as such controls the international business development of currently more than 80 offices in over 60 countries. With 2,500+ international auditors, DQS Group serves almost all business sectors, including Automotive, Aerospace, Telecommunications, Medical & many more.

Shareholders of DQS Holding GmbH are the German Association for Quality (DQZ), the German Institute for Standardization (DIN) and the US product safety certification body Underwriters Laboratories (UL) Inc., with a share of 27.8 % each. Other shareholders are the German industry associations HDB (German Construction Industry Association), Spectaris (German Hightech Industry Association), VDMA (German Engineering Association), and ZVEI (German Electrical and Electronic Manufacturers' Association).

DQS Holding GmbH is a founding and full member of the international certification network IQNet, a global association of about 40 certification bodies with more than 200 offices.

DQS is among the top 5 global certification bodies. Today, the service portfolio of DQS comprises assessments and certifications to more than 100+ Standards, as well as company specific requirements.

A passion for quality is what drives DQS India. We seek customers who share the same passion. A quality that sustains over time and helps the business evolve and not just grow.
